**GLOBAL NOTES, METHODOLOGY, AND SPECIFIC
DISCLOSURES REGARDING THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Introduction

Global Geophysical Services, LLC and its affiliated debtors and debtors in possession (collectively, the “**Debtors**”), with the assistance of their advisors, hereby file their respective Schedules of Assets and Liabilities (collectively, the “**Schedules**”) and Statements of Financial Affairs (collectively, the “**Statements**” and together with the Schedules, the “**Schedules and Statements**”) with the United States Bankruptcy Court for the Southern District of Texas, Corpus Christi Division (the “**Bankruptcy Court**”), pursuant to section 521 of the Bankruptcy Code, Bankruptcy Rule 1007, and Rule 1007-1 of the Bankruptcy Local Rules of the United States Bankruptcy Court for the Southern District of Texas.

These *Global Notes, Methodology, and Specific Disclosures Regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs* (the “**Global Notes**”) pertain to, are incorporated by reference in, and comprise an integral part of all of the Debtors’ Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.²

¹ The Debtors in these chapter 11 cases are: Global Geophysical Services, LLC (7582); Global Geophysical Services, Inc. (4281); Global Geophysical, EAME, Inc. (2130); GGS International Holdings, Inc. (2420); Global Ambient Seismic, Inc. (2256); Autoseis, Inc. (5224); Autoseis Development Company (9066); and Global Geophysical (MCD), LLC (a disregarded entity for tax purposes).

² The Global Notes are in addition to any specific notes contained in each Debtor’s Schedules and Statements. The fact that the Debtors have prepared a Global Note with respect to any of the Schedules and Statements and not to others should not be interpreted as a decision by the Debtors to exclude the applicability of such Global Note to any of the Debtors’ remaining Schedules and Statements, as appropriate.

Mr. Sean M. Gore, the President and Chief Executive Officer of Global Geophysical Services, LLC and an authorized signatory for each of the Debtors, has signed each of the Schedules and Statements. In reviewing and signing the Schedules and Statements, Mr. Gore necessarily has relied upon the efforts, statements, and representations of various personnel employed by the Debtors and their advisors. Mr. Gore has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

In preparing the Schedules and Statements, the Debtors relied upon information derived from their books and records that was available at the time of such preparation. Although the Debtors have made reasonable efforts to ensure the accuracy and completeness of such financial information, inadvertent errors or omissions, as well as the discovery of conflicting, revised, or subsequent information, may cause a material change to the Schedules and Statements. Accordingly, the Debtors reserve all of their rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary and appropriate. Notwithstanding the foregoing, the Debtors are not required to update the Schedules and Statements.

Disclosure of information in one or more Schedules, one or more Statements, or one or more exhibits or attachments to the Schedules or Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.

The Debtors are also the subjects of prior chapter 11 cases still pending before the Bankruptcy Court, jointly administered under case number 14-20130. *See In re Autoseis, Inc., et al.* On February 6, 2015, the Bankruptcy Court confirmed a chapter 11 plan in such prior cases, which plan became effective on February 9, 2015. *See Findings of Fact and Conclusions of Law and Order Confirming Second Amended Joint Chapter 11 Plan of Reorganization of Global Geophysical Services, Inc. and its Debtors Affiliates, as Reformed*, Case No. 14-20130, [Docket No. 987] (the “2015 Plan”). Accordingly, to the extent applicable, these Schedules and Statements reflect information arising from and after the effective date of the 2015 Plan through the Petition Date. For information arising prior to the effective date of the 2015 Plan, please see the schedules and statements filed in the Debtors’ prior cases. *See In re Autoseis, Inc., et al.*, Case No. 14-20130, May 23, 2014, Docket Nos. 356-367. Please further note that debtor Global Geophysical Services, LLC was organized on the effective date of the 2015 Plan and has no information that predates February 9, 2015.

Global Notes and Overview of Methodology

1. **Global Notes Control.** In the event that the Schedules and Statements differ from the Global Notes, the Global Notes shall control.
2. **Reservation of Rights.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors, omissions, or inaccuracies, some of which may be material, may exist. The Debtors reserve all of their rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and Statements with respect to any claim description, designation, or Debtor against which the claim is asserted;

dispute or otherwise assert offsets or defenses to any claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; subsequently designate any claim as “disputed,” “contingent,” or “unliquidated;” or object to the extent, validity, enforceability, priority, or avoidability of any claim. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtors’ chapter 11 cases, including, without limitation, issues involving claims, substantive consolidation, defenses, equitable subordination, recharacterization, assumption or rejection of any executory contracts or unexpired leases, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

The listing in the Schedules or Statements (including, without limitation, in Statement Question 4, Schedule B, and Schedule F) by the Debtors of any obligation between a Debtor and another Debtor or between a Debtor and a non-Debtor affiliate is a statement of what appears in a particular Debtor’s books and records and does not reflect any admission or conclusion of the Debtors regarding whether such amount would be allowed as a claim or how such obligations may be classified and/or characterized in a plan of reorganization or by the Bankruptcy Court. The Debtors reserve all of their rights with respect to such obligations.

3. Basis of Presentation. For financial reporting purposes, the Debtors and certain of their non-Debtor affiliates historically prepare consolidated financial statements. Unlike the consolidated financial statements, the Schedules and Statements, except where otherwise indicated, reflect the assets and liabilities of each Debtor on an unconsolidated basis. Accordingly, the totals listed in the Schedules and Statements will likely differ, at times materially, from the consolidated financial reports prepared by the Debtors for financial reporting purposes or otherwise.

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, and reflect the Debtors’ reasonable best efforts to report the assets and liabilities of each Debtor on an unconsolidated basis. Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Petition Date (as defined below) or at any time before the Petition Date. Likewise, to the extent a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent as of the Petition Date or any time before the Petition Date.

The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Entities trading in or otherwise purchasing, selling, or transferring claims against or equity interests in the Debtors should evaluate this financial information in light of the purposes for which it was prepared. The Debtors are not liable for and undertake no responsibility to indicate variations between any information and reports prepared

for securities law disclosure purposes or for any evaluations of the Debtors based on this financial information or any other information.

4. Description of Chapter 11 Cases and “as of” Information Date. On August 3, 2016 (the “**Petition Date**”), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their business and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On August 4, 2016, the Bankruptcy Court entered an order directing procedural consolidation and joint administration of the Debtors’ chapter 11 cases under Case No. 16-20306 [Docket No. 27].

The asset information provided herein, except as otherwise noted, represents the asset data of the Debtors as of June 30, 2016, and the liability information provided herein, except as otherwise noted, represents the liability data of the Debtors as of the close of business on August 3, 2016.

5. Net Book Value of Assets. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain current market valuations for all of their assets. In many instances, current market valuations are neither maintained by nor readily available to the Debtors. Accordingly, unless otherwise indicated, the Debtors’ Schedules and Statements reflect net book values as of June 30, 2016. Book values may not equate to their current market values. Amounts shown for total liabilities may differ materially from those stated in the Schedules and Statements. Furthermore, assets that have fully depreciated or were expensed for accounting purposes do not appear in these Schedules and Statements as they have no net book value.

6. Recharacterization. Notwithstanding the Debtors’ reasonable best efforts to properly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors may nevertheless have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtors’ business. Accordingly, the Debtors reserve all of their rights to recharacterize, reclassify, recategorize, redesignate, add, or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.

7. Liabilities. The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtors reserve all of their rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary or appropriate.

The liabilities listed in the Schedules do not reflect any analysis of claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted claims under section 503(b)(9) of the Bankruptcy Code

or the characterization of the structure of any transaction or any document or instrument related to any creditor's claim.

8. Excluded Assets and Liabilities. The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including, without limitation, accrued salaries, employee benefit accruals, and accrued accounts payable. In addition and as set forth below, the Debtors may have excluded amounts for which the Debtors have been granted authority to pay pursuant to a First Day Order (as defined below) or other order that may be entered by the Bankruptcy Court.

The Debtors also have excluded rejection damage claims of counterparties to executory contracts and unexpired leases that may be rejected. In addition, certain immaterial assets and liabilities that are not reported or tracked centrally may have been excluded.

9. Insiders. As used in the Schedules and Statements, the term "insiders" refers to the members of Debtors' boards of directors, those officers who report directly to such boards, and the Debtors' affiliates (but not their officers and directors). Persons listed as "insiders" have been included for informational purposes only and are not intended to be nor should be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are expressly reserved. The Debtors do not take any position with respect to: (a) such person's influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including, without limitation, federal securities laws, or with respect to any theories of liability or for any other purpose.

10. Intellectual Property Rights. Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.

In addition, although the Debtors have made diligent efforts to attribute intellectual property to the rightful Debtor entity, in certain instances, intellectual property owned by one Debtor may, in fact, be owned by another Debtor or by a non-Debtor affiliate. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all such intellectual property rights.

11. Executory Contracts. Although the Debtors made diligent attempts to attribute an executory contract to its rightful Debtor, in certain instances, the Debtors may have inadvertently failed to do so due to the complexity and size of the Debtors' business. Accordingly, the Debtors reserve all of their rights with respect to the named parties of any and all executory contracts, including the right to amend Schedule G.

12. Classifications. Listing a claim in (a) Schedule D as “secured,” (b) Schedule E as “unsecured priority,” or (c) Schedule F as “unsecured nonpriority,” or listing a contract or lease on Schedule G as “executory” or “unexpired,” does not constitute an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors’ rights to recharacterize or reclassify such claims, contracts, or leases or to setoff such claims.

13. Claims Description. Schedules D, E, and F permit each of the Debtors to designate a claim as “disputed,” “contingent,” and/or “unliquidated.” Any failure to designate a claim on a given Debtor’s Schedules as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by that Debtor that such claim is not “disputed,” “contingent,” or “unliquidated,” or that such claim is not subject to objection. The Debtors reserve all of their rights to dispute, or assert any offsets or defenses to, any claim reflected on their respective Schedules on any grounds, including, without limitation, nature, amount, validity, liability, classification, priority, or status. Additionally, the Debtors expressly reserve all of their rights to subsequently designate such claims as “disputed,” “contingent,” or “unliquidated.” Moreover, listing a claim does not constitute an admission of liability by the Debtors and the Debtors reserve the right to amend the Schedules accordingly.

14. Causes of Action. Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third-parties as assets in the Schedules and Statements, including, without limitation, causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross-claim, counter-claim, or recoupment and any claim on account of a contract or for breaches of duty imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known or unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, whether asserted directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law, or in equity, or pursuant to any other theory of law (collectively, “**Causes of Action**”) they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.

15. Summary of Significant Reporting Policies. The following is a summary of significant reporting policies:

- a. **Undetermined or Unknown Amounts.** The description of an amount as “Undetermined” or “Unknown” is not intended to reflect upon the materiality of such amount.
- b. **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts included in the Debtors’ books and records as of the Petition Date. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.

- c. **Paid Claims.** The Debtors were authorized (but not directed) to pay certain outstanding prepetition claims pursuant to various orders entered by the Bankruptcy Court. Accordingly, certain outstanding liabilities may have been reduced by postpetition payments made on account of prepetition liabilities. To the extent the Debtors pay any of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all of their rights to amend or supplement the Schedules and Statements or take other action as is necessary or appropriate to avoid over-payment of, or duplicate payments for, any such liabilities.
- d. **Liens.** Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.

16. Estimates. To close the books and records of the Debtors as of the Petition Date and to prepare such information on a legal entity basis, the Debtors were required to make certain estimates, allocations, and assumptions that affect the reported amounts of assets, liabilities, revenue, and expenses as of the Petition Date. The Debtors reserve all rights, but shall not be required, to amend the reported amounts of assets, liabilities, revenue, and expenses to reflect changes in those estimates and assumptions.

17. Currency. Unless otherwise indicated, all amounts are reflected in U.S. dollars.

18. Setoffs. The Debtors incur certain offsets and other similar rights from customers and suppliers during the ordinary course of business. Offsets in the ordinary course can result from various items, including, without limitation, intercompany transactions, pricing discrepancies, returns, warranties, refunds, credits, and other disputes or discrepancies between the Debtors and their customers and suppliers. These offsets and other similar rights are consistent with the ordinary course of business in the Debtors' industry and are not tracked separately. Therefore, although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules and Statements, offsets are not independently accounted for, and as such, may be excluded from the Debtors' Schedules and Statements.

Specific Disclosures with Respect to the Debtors' Schedules

Schedules Summary. Except as otherwise noted, the asset information provided herein represents the Debtors' data regarding their assets as of June 30, 2016, and the liability information provided herein represents the Debtors' data regarding their liabilities as of the close of business on August 3, 2016.

Schedule A/B. All executory contracts and unexpired leases are included in Schedule G.

Schedule A/B: Question 3. Cash values held in financial accounts are listed as of August 3, 2016.

Schedule A/B: Question 11. Values of accounts receivables are listed as of August 3, 2016 and do not take into account post-petition activity.

Schedule A/B: Question 73. Additional information regarding the insurance policies listed in Schedule A/B: Question 73 is available in the *Motion for Interim and Final Orders Authorizing the Debtors to (I) Continue Pre-Petition Insurance Program; (II) Pay any Pre-Petition Premiums and Related Obligations; (III) Honor Obligations Under Pre-Petition Premium Financing Agreements; (IV) Enter Into and Perform Under Post-Petition Insurance Financing Agreements; and (V) Modify the Automatic Stay Filed by Debtor Global Geophysical Services, LLC* [Docket No. 6] (the “**Insurance Motion**”).

Schedule D.

Except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset of a secured creditor listed in Schedule D of any Debtor. The Debtors reserve all of their rights to dispute or challenge the secured nature of any claim or the characterization of the structure of any transaction or any document or instrument related to such claim. The descriptions provided in Schedule D are solely intended to be a summary—and not an admission—of liability. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens.

Except as specifically stated herein, real property lessors, equipment lessors, utility companies, and other parties that may hold security deposits have not been listed in Schedule D. The Debtors reserve all of their rights to amend Schedule D to the extent that the Debtors determine that any claims associated with such agreements should be reported in Schedule D. Moreover, the Debtors have not included in Schedule D parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights.

Although there are multiple parties that hold a portion of the Debtors’ prepetition secured credit facilities or secured notes, only the respective administrative agents and indenture trustees have been listed for purposes of Schedule D. The amounts outstanding under the Debtors’ prepetition secured credit facilities reflect principal and interest amounts as of the Petition Date and do not include accrued but unpaid fees, expenses, charges, and other obligations that may be incurred in connection therewith. In certain instances, including with respect to the Debtors’ prepetition secured credit facilities, a Debtor may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors, and no claim set forth in Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities.

Schedule E/F. The claims of individual creditors for, among other things, goods, products, services, or taxes are listed in the amounts entered on the Debtors’ books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtors. The

Debtors reserve all of their rights with regard to such credits, allowances, and other adjustments, including the right to assert claims objections and/or setoffs with respect to the same. Additionally, certain creditors may assert mechanics', materialman's, or other similar liens against the Debtors for amounts listed in Schedule F. The Debtors reserve their right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be perfected by a creditor listed in Schedule F of any Debtor. In addition, certain claims listed in Schedule F may be entitled to priority under section 503(b)(9) of the Bankruptcy Code.

Schedule E/F does not include certain deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are, however, reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date. The Debtors have made every effort to include as contingent, unliquidated, or disputed the claim of any vendor not included on the Debtors' open accounts payable that is associated with an account that has an accrual or receipt not invoiced.

Pursuant to various "First Day" orders entered by the Bankruptcy Court (collectively, the "**First Day Orders**"), the Debtors were authorized (but not directed) to pay certain prepetition claims including, without limitation, employee wages and benefit claims, and insurance claims. Accordingly, to the extent that these liabilities have been satisfied, they are not listed in the Schedules. Furthermore, to the extent after the date the Schedules are filed the Debtors pay any of the claims listed in Schedule E/F pursuant to any of the First Day Orders, the Debtors reserve all of their rights to amend or supplement the Schedules or take other action such as filing a claims objection, as is necessary and appropriate to avoid over payment or duplicate payments. Nothing herein shall be deemed to alter the rights of any party in interest to contest a payment made pursuant to an order of the Bankruptcy Court where such order preserves the right to contest.

The claims listed in Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Although reasonable efforts have been made to identify the date of incurrence of each claim, determining the date upon which each claim in Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed in Schedule E/F. The Debtors have attempted to relate all liabilities to each particular Debtor. As a result of the Debtors' consolidated operations, however, the reader should review Schedule E/F for all Debtors in these cases for a complete understanding of the unsecured debts of the Debtors.

The listing of any claim in Schedule E does not constitute an admission by the Debtors that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve all of their rights to dispute the amount and the priority status of any claim on any basis at any time.

Schedule F reflects unsecured claims that a Debtor may have against another Debtor on account of intercompany receivables and payables. To the extent a Debtor has a claim against another Debtor on account of the Debtors' prepetition secured facilities, these claims are not reflected on Schedule F. The listing by the Debtors of any obligation between a Debtor and another Debtor or between a Debtor and a non-Debtor affiliate is a statement of what appears in a particular Debtor's books and records and does not reflect any admission or conclusion of the Debtors

regarding the allowance, classification, characterization, validity, or priority of such obligation. The Debtors take no position in these Schedules and Statements as to whether such obligations would be allowed as a claim, an interest, or not allowed at all. The Debtors and all parties in interest reserve all rights with respect to such obligations.

Schedule F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. Additionally, Schedule F does not include potential rejection damage claims, if any, of the counterparties to executory contracts and unexpired leases that may be rejected.

Schedule G. The Debtors' business is complex. Although the Debtors' existing books, records, and financial systems have been relied upon to identify and schedule executory contracts and unexpired leases (collectively, the "**Agreements**") at each of the Debtors and diligent efforts have been made to ensure the accuracy of each Debtor's Schedule G, inadvertent errors, omissions, or over-inclusions may have occurred. Certain information, such as the contact information of the counter-party or the remaining term of the Agreement, may not be included where such information could not be obtained using the Debtors' reasonable efforts. Certain of the Agreements listed in Schedule G may have been entered into by more than one of the Debtors. Additionally, the specific Debtor obligor(s) to certain of the Agreements could not be specifically ascertained in every circumstance. In such cases, the Debtors have made reasonable efforts to identify the correct Debtors' Schedule G on which to list the agreement and, where a contract party remained uncertain, such Agreements may have been listed on a different Debtor's Schedule G.

Listing a contract, agreement, or lease on Schedule G does not constitute an admission that such contract, agreement, or lease is an executory contract or unexpired lease or that such contract, agreement, or lease was in effect on the Petition Date or is valid or enforceable. The Debtors do not make, and specifically disclaim, any representation or warranty as to the completeness or accuracy of the information set forth in Schedule G. The Debtors reserve all of their rights to dispute the validity, status, or enforceability of any Agreements set forth in Schedule G and to amend or supplement Schedule G as necessary.

In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as subordination, nondisturbance and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements, indemnity agreements, non-compete agreements, and confidentiality agreements. Such documents may not be set forth on Schedule G. The Debtors reserve all of their rights with respect to such agreements. Further, the Debtors reserve all of their rights to alter or amend these Schedules to the extent that additional information regarding the Debtor obligor to such executory contracts becomes available. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature have not been included on Schedule G.

Certain of the Agreements listed in Schedule G may consist of several parts, including, purchase orders, amendments, restatements, waivers, letters, and other documents that may not be listed in Schedule G or that may be listed as a single entry. The Debtors expressly reserve their rights to

challenge whether such related materials constitute an executory contract, a single contract or agreement or multiple, severable, or separate contracts. Additionally, certain of the Agreements listed in Schedule G may contain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal, and other miscellaneous rights, which are not set forth separately in Schedule G.

The Agreements listed in Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified in Schedule G, each Agreement listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such Agreement, without respect to whether such agreement, instrument, or other document is listed therein. In some cases, the same supplier or provider appears multiple times in Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider.

The Debtors reserve all of their rights, claims, and causes of action with respect to the Agreements listed in Schedule G, including the right to (a) dispute the validity, status, or enforceability of any Agreements set forth in Schedule G; (b) dispute or challenge the characterization of the structure of any transaction, document, or instrument related to a creditor's claim, including, but not limited to, the Agreements listed in Schedule G; and (c) amend or supplement such Schedule as necessary.

The Debtor may have excluded certain permits, data use licenses or other revenue generating agreements that may not be deemed as an executory contract. The Debtors retain their rights to (I) all permits and permit agreements obtained in the ordinary course of business granting a Debtor access to real property for acquiring geophysical data or providing services used by a Debtor to generate revenue on an ongoing; (II) all master agreements executed in the ordinary course of business with a customer providing for a Debtor's expert consulting, data processing, acquisition services and/or engineering services used by a Debtor to generate revenue on an ongoing basis; (III) all geophysical data use licenses (along with any related data orders or supplement agreements) under which a Debtor is a licensor.

Schedule H. For purposes of Schedule H, the Debtors that are either the principal obligors or guarantors under the Debtors' prepetition debt are listed as co-Debtors on Schedule H. Although there are multiple parties that hold a portion of the Debtors' prepetition debt, only the respective administrative agents have been listed for purposes of Schedule H. No claim set forth in the Schedules of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other Debtors.

The Debtors may not have identified certain guarantees associated with the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements. The Debtors reserve all of their rights to amend Schedule H to the extent that additional guarantees are identified or such guarantees are discovered to have expired or be unenforceable.

In the ordinary course of business, the Debtors may be involved in pending or threatened litigation and claims arising out of the conduct of their business. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. Because all such claims are contingent, disputed, or unliquidated, such claims have not been set forth individually on Schedule H. Litigation matters can be found on each Debtor's Statement Question 7, as applicable.

Specific Disclosures with Respect to the Debtors' Statements

Statement Question 3. Statement Question 3 includes any disbursement or other transfer made by the Debtors except for those made to insiders and bankruptcy professionals. The amounts listed in Statement Question 3 reflect the Debtors' disbursements netted against any check level detail; thus, to the extent a disbursement was made to pay for multiple invoices, only one entry has been listed in Statement Question 3. All disbursements listed in Statement Question 3 are made through the Debtors' cash management system, which is described in further detail in the *Motion for Interim and Final Orders (I) Authorizing Continued Use of Prepetition Cash Management System; (II) Authorizing Continued Use of Prepetition Bank Accounts and Business Forms; and (III) Granting Other Related Relief Filed by Debtor Global Geophysical Services, LLC* [D.I. 7] (the "Cash Management Motion").

All disbursement information reported in Statement Question 3 for a specific Debtor pertains to the bank accounts maintained by that respective Debtor. As discussed in the Cash Management Motion, only certain of the Debtors maintain bank accounts and thus, such Debtors make disbursements on behalf of those Debtors that do not maintain bank accounts. The reader should review Statement Question 3 for all Debtors in these cases for a complete understanding of disbursements made by the Debtors.

The information provided in Statement Question 3 shall not constitute a waiver of any of the Debtors' rights or an admission that the recipients of such payments or other transfers were "creditors" or that amounts paid or otherwise transferred were due and owing. Amounts still owed to creditors will appear on the Schedules for the respective Debtor.

Statement Question 4. Statement Question 4 accounts for a respective Debtor's intercompany transactions, as well as other transfers to insiders, as applicable. As described in the Cash Management Motion, in the ordinary course of business certain of the Debtor entities and business divisions maintain business relationships with each other, resulting in intercompany receivables and payables. The response to Statement Question 4 reflects cash transfers between affiliate entities and does not include non-cash book entries.

All disbursement information reported in Statement Question 4 for a specific Debtor pertains to the bank accounts maintained by that respective Debtor. As discussed in the Cash Management Motion, only certain of the Debtors maintain bank accounts and thus, such Debtors make disbursements on behalf of those Debtors that do not maintain bank accounts.

The information provided in Statement Question 4 shall not constitute a waiver of any of the Debtors' rights or an admission that the recipients of such payments or other transfers were

“creditors” or that amounts paid or otherwise transferred were due and owing. Amounts still owed to creditors will appear on the Schedules for the respective Debtor.

Statement Question 7. Information provided in Statement Question 7 includes only those legal disputes and administrative proceedings that are formally recognized by an administrative, judicial, or other adjudicative forum. In the Debtors’ attempt to provide full disclosure, to the extent a legal dispute or administrative proceeding is not formally recognized by an administrative, judicial, or other adjudicative forum due to certain procedural conditions that counterparties have yet to satisfy, the Debtors have identified such matters on Schedule F for the applicable Debtor. While the Debtors believe they were diligent in their efforts, it is possible that certain suits and proceedings may have been inadvertently left off of the Debtors’ response to Statement Question 7. Accordingly, the Debtors reserve all of their rights to amend or supplement their response to Statement Question 7.

The Debtors reserve all of their rights and defenses with respect to any and all listed lawsuits and administrative proceedings. The listing of any such suits and proceedings shall not constitute an admission by the Debtors of any liabilities or that the actions or proceedings were correctly filed against the Debtors. The Debtors also reserve their rights to assert that the Debtors are an appropriate party to such actions or proceedings.

Statement Question 10. The Debtors occasionally incur losses for a variety of reasons, including fire and theft. The Debtors, however, may not have records of all such losses as to the extent such losses do not have a material impact on the Debtors’ business or are not reported for insurance purposes.

Statement Question 11. The amounts listed in response to Statement Question 11 refer to payments made to representatives of the Debtors in connection with certain prepetition restructuring initiatives and the preparation of these chapter 11 cases. Additional information regarding the Debtors’ retention of professional service firms is more fully described in the individual retention motions and related orders filed with the Bankruptcy Court. All payments or property transferred by or on behalf of a Debtor for such services were made by Global Geophysical Services, Inc. and are were to the benefit of all Debtors.

Statement Question 29. The Debtors’ response to Statement Question 29 includes only those individuals who have terminated their relationship with the listed Debtor as either a director or officer, and do not include individuals who have simply changed their title but who have otherwise maintained their relationship as a director or officer.

Statement Question 30. Unless otherwise indicated in a Debtor’s specific response to Statement Question 30, the Debtors have included a comprehensive response to Statement Question 30 in Statement Question 4.

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G).

Creditors Who Have Claims Secured by Property**Schedule D: Specific Disclosures with Respect to the Debtors' Schedules**

Except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset of a secured creditor listed in Schedule D of any Debtor. The Debtors reserve all of their rights to dispute or challenge the secured nature of any claim or the characterization of the structure of any transaction or any document or instrument related to such claim. The descriptions provided in Schedule D are solely intended to be a summary—and not an admission—of liability. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens.

Except as specifically stated herein, real property lessors, equipment lessors, utility companies, and other parties that may hold security deposits have not been listed in Schedule D. The Debtors reserve all of their rights to amend Schedule D to the extent that the Debtors determine that any claims associated with such agreements should be reported in Schedule D. Moreover, the Debtors have not included in Schedule D parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights.

Although there are multiple parties that hold a portion of the Debtors' prepetition secured credit facilities or secured notes, only the respective administrative agents and indenture trustees have been listed for purposes of Schedule D. The amounts outstanding under the Debtors' prepetition secured credit facilities reflect principal and interest amounts as of the Petition Date and do not include accrued but unpaid fees, expenses, charges, and other obligations that may be incurred in connection therewith. In certain instances, including with respect to the Debtors' prepetition secured credit facilities, a Debtor may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors, and no claim set forth in Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities.

The Debtors reserve all of their rights with regard to such credits, allowances, and other adjustments, including the right to assert claims objections and/or setoffs with respect to the same. Additionally, certain creditors may assert mechanics', materialman's, or other similar liens against the Debtors for amounts listed in Schedule F. The Debtors reserve their right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be perfected by a creditor listed in Schedule F of any Debtor. In addition, certain claims listed in Schedule F may be entitled to priority under section 503(b)(9) of the Bankruptcy Code.

Schedule E/F does not include certain deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are, however, reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date. The Debtors have made every effort to include as contingent, unliquidated, or disputed the claim of any vendor not included on the Debtors' open accounts payable that is associated with an account that has an accrual or receipt not invoiced.

Pursuant to various "First Day" orders entered by the Bankruptcy Court (collectively, the "First Day Orders"), the Debtors were authorized (but not directed) to pay certain prepetition claims including, without limitation, employee wages and benefit claims, and insurance claims. Accordingly, to the extent that these liabilities have been satisfied, they are not listed in the Schedules. Furthermore, to the extent after the date the Schedules are filed the Debtors pay any of the claims listed in Schedule E/F pursuant to any of the First Day Orders, the Debtors reserve all of their rights to amend or supplement the Schedules or take other action such as filing a claims objection, as is necessary and appropriate to avoid over payment or duplicate payments. Nothing herein shall be deemed to alter the rights of any party in interest to contest a payment made pursuant to an order of the Bankruptcy Court where such order preserves the right to contest.

The claims listed in Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Although reasonable efforts have been made to identify the date of incurrence of each claim, determining the date upon which each claim in Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed in Schedule E/F. The Debtors have attempted to relate all liabilities to each particular Debtor. As a result of the Debtors' consolidated operations, however, the reader should review Schedule E/F for all Debtors in these cases for a complete understanding of the unsecured debts of the Debtors.

The listing of any claim in Schedule E does not constitute an admission by the Debtors that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve all of their rights to dispute the amount and the priority status of any claim on any basis at any time.

Schedule F reflects unsecured claims that a Debtor may have against another Debtor on account of intercompany receivables and payables. To the extent a Debtor has a claim against another Debtor on account of the Debtors' prepetition secured facilities, these claims are not reflected on Schedule F. The listing by the Debtors of any obligation between a Debtor and another Debtor or between a Debtor and a non-Debtor affiliate is a statement of what appears in a particular Debtor's books and records and does not reflect any admission or conclusion of the Debtors regarding the allowance, classification, characterization, validity, or priority of such obligation. The Debtors take no position in these Schedules and Statements as to whether such obligations would be allowed as a claim, an interest, or not allowed at all. The Debtors and all parties in interest reserve all rights with respect to such obligations.

Schedule F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. Additionally, Schedule F does not include potential rejection damage claims, if any, of the counterparties to executory contracts and unexpired leases that may be rejected.

Executory Contracts and Unexpired Leases**Schedule G: Specific Disclosures with Respect to the Debtors' Schedules**

The Debtors' business is complex. Although the Debtors' existing books, records, and financial systems have been relied upon to identify and schedule executory contracts and unexpired leases (collectively, the "Agreements") at each of the Debtors and diligent efforts have been made to ensure the accuracy of each Debtor's Schedule G, inadvertent errors, omissions, or over-inclusions may have occurred. Certain information, such as the contact information of the counter-party or the remaining term of the Agreement, may not be included where such information could not be obtained using the Debtors' reasonable efforts. Certain of the Agreements listed in Schedule G may have been entered into by more than one of the Debtors. Additionally, the specific Debtor obligor(s) to certain of the Agreements could not be specifically ascertained in every circumstance. In such cases, the Debtors have made reasonable efforts to identify the correct Debtors' Schedule G on which to list the agreement and, where a contract party remained uncertain, such Agreements may have been listed on a different Debtor's Schedule G.

Listing a contract, agreement, or lease on Schedule G does not constitute an admission that such contract, agreement, or lease is an executory contract or unexpired lease or that such contract, agreement, or lease was in effect on the Petition Date or is valid or enforceable. The Debtors do not make, and specifically disclaim, any representation or warranty as to the completeness or accuracy of the information set forth in Schedule G. The Debtors reserve all of their rights to dispute the validity, status, or enforceability of any Agreements set forth in Schedule G and to amend or supplement Schedule G as necessary.

In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as subordination, nondisturbance and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements, indemnity agreements, non-compete agreements, and confidentiality agreements. Such documents may not be set forth on Schedule G. The Debtors reserve all of their rights with respect to such agreements. Further, the Debtors reserve all of their rights to alter or amend these Schedules to the extent that additional information regarding the Debtor obligor to such executory contracts becomes available. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature have not been included on Schedule G.

Certain of the Agreements listed in Schedule G may consist of several parts, including, purchase orders, amendments, restatements, waivers, letters, and other documents that may not be listed in Schedule G or that may be listed as a single entry. The Debtors expressly reserve their rights to challenge whether such related materials constitute an executory contract, a single contract or agreement or multiple, severable, or separate contracts. Additionally, certain of the Agreements listed in Schedule G may contain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal, and other miscellaneous rights, which are not set forth separately in Schedule G.

The Agreements listed in Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified in Schedule G, each Agreement listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such Agreement, without respect to whether such agreement, instrument, or other document is listed therein. In some cases, the same supplier or provider appears multiple times in Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider.

The Debtors reserve all of their rights, claims, and causes of action with respect to the Agreements listed in Schedule G, including the right to (a) dispute the validity, status, or enforceability of any Agreements set forth in Schedule G; (b) dispute or challenge the characterization of the structure of any transaction, document, or instrument related to a creditor's claim, including, but not limited to, the Agreements listed in Schedule G; and (c) amend or supplement such Schedule as necessary.

The Debtor may have excluded certain permits, data use licenses or other revenue generating agreements that may not be deemed as an executory contract. The Debtors retain their rights to (I) all permits and permit agreements obtained in the ordinary course of business granting a Debtor access to real property for acquiring geophysical data or providing services used by a Debtor to generate revenue on an ongoing; (II) all master agreements executed in the ordinary course of business with a customer providing for a Debtor's expert consulting, data processing, acquisition services and/or engineering services used by a Debtor to generate revenue on an ongoing basis; (III) all geophysical data use licenses (along with any related data orders or supplement agreements) under which a Debtor is a licensor.

Codebtors**Schedule H: Specific Disclosures with Respect to the Debtors' Schedules**

For purposes of Schedule H, the Debtors that are either the principal obligors or guarantors under the Debtors' prepetition debt are listed as co-Debtors on Schedule H. Although there are multiple parties that hold a portion of the Debtors' prepetition debt, only the respective administrative agents have been listed for purposes of Schedule H. No claim set forth in the Schedules of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other Debtors.

The Debtors may not have identified certain guarantees associated with the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements. The Debtors reserve all of their rights to amend Schedule H to the extent that additional guarantees are identified or such guarantees are discovered to have expired or be unenforceable.

In the ordinary course of business, the Debtors may be involved in pending or threatened litigation and claims arising out of the conduct of their business. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. Because all such claims are contingent, disputed, or unliquidated, such claims have not been set forth individually on Schedule H. Litigation matters can be found on each Debtor's Statement Question 7, as applicable.
